Hi Vaidehi

Your team has acknowledged you to be a key player and contributor to the team. Below is a commendation message from your team:

“Vaidehi is a key player and contributor to the team.
She is a quick learner with excellent communications skills and she has not only learned new technologies but also delivered several Kaizens and PragratIs for the project hence saving a lot of time and effort.
Overall the client is also very happy with Vaidehi’s performance and she has also received several appreciations for her work.
She has also demonstrated several Wipro habits like Being Responsive, Always communicating, and Demonstrating Stewardship”

We wish you the best in your career!

Regards
